Hopple (Hubbell) Family

Granddaughter, Lida Fuller Small, said the name was really Hubbell. She lived with her grandparents for some time after her mother died. Lida kept a little booklet, much like a diary, in which she had made notes about her life. The original of this writing can be found in the safekeeping of the public library in Frankfort, IN

Proof that John and George (B-2) are brothers is the booklet of Lida Fuller , in which she says Louis and his sister Rosa Hopple/Hoppel (C-6, the minister) is her third cousin. When evaluating this relationship, it can be determined that she meant 1st cousin three times removed. Rosa lived for awhile on property of George Hopple, her uncle. Lida was a student of Louis.

GEORGE

A-2 George Hopple/Hubbell, born 1-24-1791 PA, died 12-6-1871 Allen Co. IN, married Margaret, born 7-8-1790 KY, died 7-24-1869, also Allen Co, IN. There are genealogist who think that Margaret's maiden name was Everman. Lida Fuller Small said in her memoirs that the name was Hughes.

George is found using many spellings of his surname. In 1813 he is recorded as receiving an allotment to travel to Butler County, OH. Recorded in John Ross Company of Infantry as George Hubble. He was a Corporal in Zumalt's 2nd Ohio Regiment in 1813.. Recorded Roll Box 104, Roll Exct. 602

He is found paying church tax in Preble Co, OH, Washington Twp in 1823, with the spelling Hoffle, when he pledged thirty-seven and a half cents to a church in the Shidler neighborhood. It was a Christian denomination, which started a free church open to everyone. See page 139 of the History of Preble County, Ohio, 1881.

He purchased land in Butler County, OH, as George Hopple, from Jeremiah Blackford on July 30, 1823. Ohio Tax records of 1826 show a John Hopple and George Hopple in Lemon Twp Butler Co. He and Margaret sold this same land, as George Hubble, on August 31, 1826 to Henry Henning. On the deed of sale, he is cited as in Preble Co. This land was described as sec 1, township 3, range 1.

He paid Chattel tax in Preble Co, OH 1827 through 1833, first year as Hubble, then as Hopple, usually two horses and a couple cows. He paid Chattel tax 1830 on land described as 64 acres in sec 33, township 8, range 2. George purchased something from an estate sale in 1828. I have not located the purchase, or sale, of this 64 acres.

They purchased 50 acres from Isaac and Sarah Hornbaker 02 April 1832 for \$300, described as sec 5, township 8, range 2. George and Margaret sold 50 acres to John M. Sackman for \$350, on 17 June 1833 as Hoppel.

The family of Hubbells in Preble County is well documented in the county history of 1881. George cannot be linked to this family at this time. Granddaughter Lida Fuller Small said George came from Columbus, Ohio. It may be that George was not connected to this family, accounting for why he changed his name to Hopple.

Records of Butler Co show a Simon Hopple married 11-6-1825 Julia A. Ayres. Genealogy records state they went to Clinton Co, IN after selling their land May 3, 1826, recorded in deed book L, p 535. The 1850 census shows her apparently a widow and living in the Samuel Ayres household. Julia was b 1810 OH.

George Hopple's Genealogy

George Hopple came to Allen Co 1833, as documented in "Pictorial History of Fort Wayne," by B. J. Griswold, and "Valley of the Upper Maumee," Vol 1, page 432. Land records show he bought land in Allen Co, IN that year, while yet living in Preble Co, OH 1833. Ref: Deed Book 14, page 236-238.

The Hopples moved to neighboring Adams Co, before 1839, when they sold some land to their dau and her husband, Hugh & Sarah O'Hara. They also sold land to dau, Anna and husband Michael Roe. George purchased land from the Fort Wayne Land Office: 78.92 acres with receipt # 2577, 40 acres with #2648, 84.92 with #2234, 69.66 with #2235, 67.19 acres #7334, 40 acres #6818, 173.2 acres #17927 for a total of 553.89 acres, all in the southern part of the county, near the border of Adams Co. None of this land was purchased with a military land warrant. When George and Margaret sold land 10 Nov 1835, the deed was witnessed by Anna Hopple. Anna could be George's mother, as their daughter Anna would not have been of a legal age.

A gazetteer of 1862 shows a George Hopple in Washington Twp, Allen Co, probably the one born 1810 PA, as shown in the 1860 census. This George bought land in Washington Twp, in the NW part of Allen County, IN in 1836. George and Margaret are in Preble

He paid Chattel tax 1830 on land described as 64 acres in sec 33, township 8, range 2. George Hubble purchased the 64 ac from James H. They purchased 50 acres from Sarah Hornbaker 02 Apr 1832 for \$300, described as sec 5, township 8, range 2. George and Margaret sold 50 acres to John M. Sackman for \$350, on 17 Jun 1833. He had tried to sell the 50 acres to Isaac Hornbaker the year before. Census records show George as George Hubble in Washington Twp, Preble Co, OH for the 1830 census. (There was a family of Hubbells, who came to Preble County in 1827. (Our George is not included in the "History of the Hubbell Family," or the "History of Preble County, Ohio," printed 1881.) Tax records and deeds written in Butler and Preble Counties use the spelling of Hopple, as well as the cemetery monuments.

George came to Allen Co, IN in 1833 per "Pictorial history of Fort Wayne, IN." Also documented in "Valley of the Upper Maumee, Vol 1, p 432.

The Hopples moved from Allen Co to Adams Co, before 1839, when they sold some land to their dau and her husband, **Hugh & Sarah O'Hara**. They also sold land to dau, Anna and husband Michael Roe. George purchased land from the Fort Wayne Land Office (Land Patents): 78.92 acres with receipt # 2577, 40 acres with #2648, 84.92 with #2234, 69.66 with #2235, 67.19 acres #7334, 40 acres #6818, 173.2 acres #17927 for a total of 553.89 acres, all in the southern part of the county, near the border of Adams Co. Anna could be George's mother, as their daughter Anna would not have been of a legal age.

Lida tells of going to the home to view Margaret in her coffin. "One morning the news came across the river that "grandmam" was dead. Aunt Cinda was going to the funeral. I wanted to go too. Lucy thought I didn't have a dress nice enough to go to a funeral, but Aunt Cinda said, "It's her grand mother and I am going to take Lida with me." It didn't seem like Grand Dad's—Grandmam not sitting in her chair—a casket along side the wall; the tall grandfather clock "tick-tocking" off the time, the looking glass I always thought so pretty with the picture in the top of it was veiled, the door was a breeze swift through and there were birds in the old pear tree near the door. Grandmam was asleep in that coffin—at last I got to see her, all in black with her cap on and hands folded on her breast. I was full of fear, death was something new to me. There ____ I was, but they said "she's in Heaven."

A gazetteer of 1862 shows a George Hopple in Washington Twp, Allen Co, probably the one born 1810 PA, as shown in the 1860 census. This George bought land in Washington Twp, in the NW part of Allen County, IN in 1836. It is not known if this man is related or not. George and Margaret are in Preble Twp, Adams Co, IN for the 1860 census. Some Roe chi are with them, and daughter Anna, now married to Richard Morton, is living next door. Both George and Margaret are buried in Bethel Cem in the Southern part of Allen Co, IN. Have a picture of their headstones.

Records of Butler Co show a Simon Hopple married 6 Nov 1825 Julia A. Ayres. Genealogy records state they went to Clinton Co, IN after selling their land May 3, 1826, recorded in deed book L, p 535. The 1850 census shows her apparently a widow and living in the Samuel Ayres household. Julia was b 1810 OH. It may be that more than one family changed their names from Hubble to Hopple.

C-1 Anna Hopple, b 22 Oct 1818 OH, d 26 Feb 1890, m 26 Dec 1836 Adams Co to Michael Roe, b 1811, d 18 Apr 1854. Both bur Bethel Cem, Allen Co. She could be the Anna Hopple who was witness to a deed of George and Margaret, dated 10 Nov 1835, but she would have been only 17 years old. It could be reasoned that she was not of legal age, and therefore not qualified as a witness. Anna reported to be a "tiny little woman" by granddaughter Lida.

George served in the War of 1812 in Zumalt's 2nd Ohio Regiment. He shows receiving an allotment to go to Butler Co, OH in 1813. That was in John Ross's Company. He was Corporal George Hubble.

George is first found paying church tax in Preble Co, OH, Washington Twp in 1823, with the spelling Hoffle when he pledged thirty-seven and a half cents to a church in the Shidler neighborhood. It was a Christian denomination, which started a free church open to everyone. See page 139 of the History of Preble County, Ohio, 1881.

He purchased land in Butler County, OH, as George Hopple, from Jeremiah Blackford on 30 Jul 1823. He and Margaret sold this same land, signing his name as George Hubble, on 31 Aug 1826 to Henry Henning. On the deed of sale, he is cited as in Preble Co. This land was described as sec 1, township 3, range 1.
