FOREWORD

TO ALL MOTORISTS AND PEDESTRIANS:
The officials of our County and State co-operate in every way to prevent accidents on the highways and in the home. Besides loss of life and consequent suffering, accidents are very costly in precious materials.

BE SERIOUS FOR A MOMENT, just what could you do for yourself and family if you were hospitalized as the result of an accident many miles from home? Wouldn't it be wise to take a few more minutes on each road trip? It might save a life—YOUR LIFE.

YOU can make Michigan highways the safest of all by knowing and observing the rules of the road. It is to help you avoid accidents that I have caused this SAFETY GUIDE to be published.

DRIVE—CAREFULLY—SANELY—SENSIBLY
AVOID—SORROW—SUFFERING—WASTE.

May I have your cooperation? Thank you kindly.

Respectfully yours,

CLARE L. HUBBELL,
Sheriff, Oakland County
