Earl Byron Hubbell ME# 6920

Pictured are photographic glass magic lantern slides, beautifully colored. Photographs were taken near the turn of the last century by Earl B. Hubbell of Chicago. Some of the best lantern slides of Paris were taken by him. Slides were usually discarded after a relatively short period of use so are difficult to find.

Earl was a Presbyterian minister born in Salem, Ohio in 1854.

Slide #1: Place De la Concord

Slide #2: The Trocadero Palace (no longer standing)

Slide #3: Palais Royal, Paris

Slides #4-5: unknown
