

Two grave marking services for Revolutionary War veterans buried in the Bluffton and Pandora communities takes place on Saturday.

The two are **Hezekiah Bloomfield Hubbell**, buried in Hubbell Cemetery on Shifferly Road, rural Bluffton, and Israel Hubbard, Jr., buried in Malahan Cemetery, rural Pandora.

The Northwest Territory Chapter of the Ohio Society, Sons of the American Revolution, will conduct the services at the cemeteries.

Hezekiah Bloomfield Hubbell

Hubbell was born Sept. 1, 1755, in Woodbridge, Middlesex County, New Jersey. He died at age 100 on Oct. 12, 1855, in Richland Township.

On the base of his original marker it stated: "He served under Washington for seven years during the Revolutionary War." His grave is now marked with a U.S. Government Bronze marker. His is the only grave in the cemetery.

He enlisted into the New Jersey Continental Line under Capt. Nathaniel Randall, General Dayton's Regiment in 1775. He was stationed at the border of New Jersey and Staten Island. He served out his one-year enlistment and received a written discharge and returned home. Upon returning home he found that his parents were deceased. Two months later he returned to his unit as a volunteer. He remained with the unit until 1780, when he left the service. He was involved in the battles of Springfield, New Jersey, Brandywine and Monmouth.

DEAD AND BURIED over 190 years ago, the lone grave of Hezekiah B. Hubbell, who served in the Revolutionary war under General George Washington, is still remembered each Memorial Day.

Wilbur Potee, veteran of the Rainbow Division of World War II, stoops to place a flag on the grave. He is accompanied by Fred Fritchie, World War I vet, and the Rev. James Heininger, chaplain of Bluffton American Legion Post 382, and a veteran of World War II. The post will decorate more than 275 graves of veterans of the nation's armed conflicts.

Mr. Hubbell, who is buried on the Emma Andrews farm South of town, was 190 years and one month old when he died October 12, 1855. He served under Washington for seven years during the Revolutionary war, according to his grave marker.
