

Hi Eric, Thanks for your query.

Your Great Grandfather served in World War I in the 377th Motor Transportation Corps of the US Army from 1 March 1916 to 4 June 1920 as a Sergeant First Class. he also served as a Private in World War II. His serial number and total service was found on the application for his tomb stone.

I'd like to see the pictures if you would care to scan them.

My Great Grandfather was **Joseph Crawford Hubbell** born on March 3rd 1895 in North Carolina I believe. I have some of his military pictures but know nothing else about his military history or what he did for a living after. I heard he might have been a sailor on Lake Michigan. I was wondering if you could provide any additional information on him regarding these topics or otherwise where I can find out more info?

Thanks, Eric Hubbell
