

**Pioneer Ladies
of
Huron County, Ohio**

1808 - 1850

**Published by the Huron County Chapter of the Ohio Genealogical Society
2012**

Introduction

Pioneer Ladies of Huron County, Ohio
1808-1850

This publication has been compiled to only serve as a help to find female maiden names and those of her parents. Caution should be taken when using this information as a fact. Conflicting information was found in the publications and more research will generally be needed to prove a fact. A second section to the book has an index with husbands alphabetically listed.

It was originally compiled in individual townships and then indexed into the complete county. Ladies who would have lived in what is now Erie County and Ruggles Township in Ashland Co. are also included, up to the date their county was formed. Those being: Margaretta, Perkins, Groton, Oxford to 1838; Huron, Milan, Berlin, Vermilion and Florence to 1840, and Ruggles in Ashland Co. to 1846.

Many sources of information were used, some being considered primary and others secondary. Although this publication has included over 7000 ladies, many young girls and ladies were not included as not enough information could be found. Some sources are missing an actual date, but it was known they lived in Huron County prior to 1850.

The number in front of the year indicates in what publication the date was found. The source can be found in the back of this publication. All other information was found in these publications or documents, but not particularly the document listed for the date. You will find variations of name spellings and on some occasions a lady or man may be listed twice due to a second marriage or varying information.

How to Use

The * in front of a ladies name denotes this is not her maiden name.

The number in front of the year indicates source.

A special thank you is given to chapter members who helped in any way to make this publication possible. Those being: Sandra Mafera, Henry Timman, Bruce and Jan Jeavons, Tom Neel, and Martha Sturges.
