Dear Mr. Hubbell:

We have done some searching as you requested and have found a small booklet entitled "A Picturesque City"; Clinton, Missouri; " Facts Thrown to the Surface by Pen and Camera" dated 1896. It contains listings for businesses, schools and churches in Clinton. Hubbell & Sherer, Photographers is listed and there are many photos in this booklet by them. Unfortunately, we were not able to get a location of the studio. We also have a picture of W.P. Hubbell, listed as Treasurer for the City of Clinton. Englewood Cemetery records indicate he was born 1861 in Alabama and died in 1904 at Nevada, MO.

There is a charge of \$5.00 for this research. Please make checks payable to Henry County Historical Society, 203 W. Franklin St., Clinton, MO 64735. If you wish us to make copies of the booklet and other information, the cost will be \$10.00.

Thank you for your inquiry. Please let us know if we can be of further assistance.
