Governor Hayes has received the resignation of General B. F. Potts, State Senator from the Twenty-first Senatorial district, composed of the counties of Carroll and Stark, he having received the appointment of Governor of Montana; and of **James R. Hubbell**, Senator from the Sixteenth Senatorial district, composed of the counties of Delaware and Licking, he having received the Democratic nomination for Congress in the eighth District. Writs will be issued for a special election to fill the vacancies, on the second Tuesday of October. It is said that Poppleton, of Delaware, will be the Democratic candidate for Hubbell's successor in the Senate. Potts was a Republican Senator, and Hubbell Democratic. Pott's majority in 1869 was 437. Hubbell's was 647. The election in October will probably not make any change in the political character of the Senate by those who may be chosen to fill the vacancies.
