

Mr. W. P. Hubbell, has moved into town to the residence, formerly occupied by Dr. Holman, on Camden Avenue, and Elder P. Aker, is this week moving from Carroll County, to the residence of Mr. Hubble, just on the western limit, of this city. We are glad to have Brother Aker, a citizen of Richmond, and hope he will settle here permanently, as our educational facilities are unsurpassed in the State.

---

Mr. John Henderson will have a sale of his stock, feed, farming implements and household furniture at his farm
