

pils more advantageously than that of teacher.

—A war of the Amazons occurred at Bill Cox's, near town, Saturday. As many as 6 or 8 females were engaged at one time in mortal combat. The cause, we learn, was jealousy, and the general settling up of old scores. The affair terminated by putting Julia Cox and Lucy Hubble in jail. There were some judgments on indictment for tippling in the Wayne Circuit Court against Cox, and in the melee he too was captured, and the whole family are now looking through the ten of diamonds.
