

Royal Neighbors of America.

Salt Lake Valley Camp, No. 372, Royal Neighbors of America, will hold a class initiation at the K. P. hall, June 30. The local camps have been greatly encouraged by a visit from our supreme vice oracle. This is the first supreme officer to visit our camps in a great many years, and it is certainly a pleasure to shake hands with **Mrs. Hubbel**. Many little parties have been planned during her stay here, among which was a lake party last Friday evening. On Tuesday evening Neighbor Shrapp will entertain with progressive 63 at 333 Fifth avenue, Waterloo, and on Thursday from 11 a. m. till 2 p. m. at 420 South Seventh street Neighbor Rothwell will receive all royal neighbors. It makes no difference which camp or where membership is held to meet **Neighbor Hubbel**, as she leaves for her home in Colorado at 3:15 Thursday. The drill team will meet at K. P. hall at 2:30 p. m., Monday, June 28. All officers and graces are requested to be present.
