

# SONG WRITTEN BY LOCAL COMPOSER SOON ON MARKET

---

**Miss Jessie Hubble**

"Clara in the Movies" has a rhythm and carries an inspiration that has moved Miss Jessie Hubble of this city to poetry and song.

Miss Hubble has written a song on the above title. Leo Friedman of Chicago has set it to music, Chester Music Company of Chicago has printed the music, records have also been made on the phonograph and E. E. Luke, music dealer of this city will within a short time have both the sheet music and the records of this Ardmore written song.

Miss Hubble is an Oklahoma girl, she was reared in Eufaula and came to Ardmore two years ago to make her home with her mother Mrs. M. A. Hoover. During her stay in Ardmore Miss Hubble has been a saleslady with Charley Stewart's dry goods store at 107 East Broadway.

When it is considered that many thousands of ambitious young men and women are striving to break into the song writing business, when it is realized just how much competition there is and how difficult it becomes for a young actor to receive recognition the achievement of Miss Hubble will be appreciated.
