Fred Rubble of Augusta, Kan., re-  
turned to his work January 1, after a  
happy vacation time with his parents, Mr.  
and Mrs. O. T. Hultin, who also had  
their daughter, Miss Maple, of Oklahoma  
City, with them for the holidays. Miss  
Mattie Rogers, teacher in Edinboro, Kan.,  
also returned on that day.

Our young people who are in the various  
schools have all gotta back prepared for  
hard work until the Easter holidays after  
a happy vacation.
