

The following is the high-salutin report of the Crab Orchard colored school trustees to Commissioner Philips: This is to certify that the school has been taught the full five months and our teacher has been an earnest worker during the time. The children have learned rapidly owing to their chance. All studied with acumen for the examination. Her exegesis were recondite. All are pleased with the improvement of their children. The quintessence has been taught this term and we highly recommend our teacher to any district school. Signed, John W. Crews; **Chas H. Hubble**, John Tucker; Mattie A. Dishman, Teacher.
