

Somerset Fair.

The Pulaski County Agricultural and Mechanical Fair will be held at the fair grounds near Somerset, on the 10th, 11th, and 12th, of September next. The following officers were elected at a recent meeting of the stock holders, viz: W. N. Owens, President, Dr. J. W. Parker and J. R. Ingram, Vice Presidents; F. M. Cox, Secretary; R. Gibson, Treasurer; Robt. Chesney, J. S. Kendrick, **H. R. Hubble**, Harry Sloan, William Love, Andy Gibson and Samuel Newell Directors. This will be the second annual meeting of the Association, and we doubt not that it will be equally as well attended as formerly. We recognize in the list of officers, the names of men who will spare no exertions in making the Pulaski Fair equally as attractive as any country or county fair in the State.
