Resolutions of respect of Moreland Camp No. 11663 M. W. of A.

Having completed the designs written on life's trestle board, God in His infinite wisdom has called from this life to the life of "The Great Beyond," our neighbor, Lorenzo Dow King, who departed this life August 2nd, 1916, having been a member of the Moreland Camp for five years and four months: therefore be it—

Resolved, That in his death our Camp has lost one of its most earnest and conscientious members, who in his daily walk exemplified the highest standard of Woodcraft, the community an ideal citizen, and the family a devoted father and husband.

Resolved, That we extend to his family and relatives our heartfelt sympathy in this sad hour of bereavement, and commend them to God, who doeth all things well. Be it further

Resolved, That a copy of these resolutions be made part of the records of this Camp, a copy be sent to the bereaved family, and a copy be sent to the Interior Journal and Casey County News for publication. J. C. Burkett, S. E. Hubble and R. C. Cossin, COMMITTEE.

S. E. Hubble, of Moreland, who travels through the lower section for Curry, Tunis & Norwood, of Lexington, was in Stanford this week, having the I. J. do some nice printing for him. Mr. Hubble is an all-round live wire, and has a host of friends all through his territory.

A REAL LIVE WIRE

S. E. Hubble

The above is only a fair picture of S. E. Hubble, of Moreland, one of the liveliest and most progressive young business men in this or any other county. He travels for Curry, Tunis and Norwood wholesale grocers of Lexington, and "makes" the West End of this county, Casey and the South End and northern section of Pulaski. He is always on the job and has a following that has found he can be depended upon at all times. Mr. Hubble is a hustler and a splendid gentleman in every way, and the Lexington house is to be congratulated upon having such a salesman on its staff.

SELLING LOTS CHEWING GUM

Mr. S. E. Hubble, who travels for Curry, Tunis & Norwood, Lexington grocers, tells the I. J. that he has sold up to the 16th nearly \$600 worth of Wrigley chewing gum since April 1st. He says the Wrigley gum is the best seller on the market. The Interior Journal covers Mr. Hubble's territory like the dew, and it carries a Wrigley Chewing Gum advertisement. It pays to advertise.

Mrs S. J. Hubble, Lancaster, St.,
Stanford, Ky., says: I know that
Doan's Kidney Pills helped me and I
therefore, have not the least hesita-
tion in recommending them. My kid-
neys were disordered for some time
and although my condition was not
serious, I was nevertheless annoyed a
great deal. My back ached almost
constantly and sometimes became so
lame that it required a great effort
for me to stoop. There were also oth-
er symptoms of kidney complaint that
caused me distress. Since using Doan's
Kidney Pills, procured at Shugars &
Tanner's Drug Store, all these troubles
have disappeared and my health has
improved."

For sale by all doctors. Price 50c.
