## FIGHTING WHITECAPS.

---

### Prospects for a Merry War in Rural Indiana.

LOUISVILLE, Ky., Aug. 7.—The whitecaps of Boone Township, Ind., burned the house of Conrad last night and to-day three riderless horses owned by three whitecaps, John Kendal, William Fish and William Hubble, were found. It is thought the owners have been killed by the Conrads, who have returned from Kentucky. They say they have three more men to kill. Harrison County is excited as it never was before. The Conrads are asking relatives to help them, and a bloody battle is expected in the next twenty-four hours.
