THEY HUSKED CORN

CARMI, Ill., Dec. 5.—Eighteen women of the Missionary Baptist church in Carmi went in automobiles to **William F. Hubble's** farm, six miles west, and husked 30 bushels of corn in 33 minutes, while Rev. E. M. Ryan, pastor of the church, drove the wagon.

The corn was brought to this city and sold to a local dealer, bringing \$1 a bushel. The proceeds were used in paying for church improvements.
