A MESSAGE FROM YOUR PRESIDENT

Carol Hubbell Boggs

During 2003, THFHS began to feel the same pressures felt by many genealogical and historical societies, those being membership numbers not growing as fast as in past years and keen competition for dollars. Despite those facts of life, our Society is thriving and making important strides in those things most important to us: our genealogy, our truly unique and heart-warming biennial reunions, and our support of Hubbell Center—the library, museum, and archives of all things Hubbell.

Our Eleventh Biennial Reunion in Chapel Hill, North Carolina, June 17-22 was a great success as we honored Dr. Jay Broadus Hubbell, Jr., a literary historian who was yet another Hubbell known as the first in his field. Family came from all across the US, Canada, and Mexico City, Mexico, to gather in fellowship. Sandra Shay of Chapel Hill, NC, who had not even attended a reunion in the past, did a wonderful job of putting on a great show for us with the able assistance of her daughter, Shay Williamson. During the reunion, the Family business meetings and the standing committee meetings produced a notable amount of work, planning, and decision-making. A very productive group! We welcomed a new volunteer for Chair of the Publicity Committee, Shara Simmons Hubble, the daughter of R. Leroy Hubble, a President Emeritus of THFHS. Three members volunteered for positions on the board of directors of Hubbell Center, and although the positions are currently filled, we will keep their names in mind for future vacancies – Susan Hubbell Dawson, Janet Watson, and Betty Jo Chapman. The “Can Do” attitude displayed by the family was infectious. Six ad hoc committees were formed to do the work the family assigned them. They will report to the board of directors this summer at the directors’ meeting in Albuquerque, New Mexico—the site of the 2005 biennial reunion.

Our new Treasurer, Peter O. Hansen, MD, of Kenai, Alaska, took office as Treasurer January 1, 2004, after an interim stint as Treasurer by our Vice President, Roger Hubbell, who served for two years following Claire Hubbell Pierce’s retirement. Another person who has taken on an important and influential task is Kitty Ver Kuilen, who is doing an excellent job as the chair of the Membership Committee. Since she accepted the job, our gift memberships have done extremely well which is a healthy sign for us. Her enthusiastic spirit is catching. Reunion Chair Marjorie Hlava is doing a dynamite job planning the 2005 biennial with her team of family and friends in Albuquerque.

In August, a number of your officers and directors met with James W. Hubbell, Jr., the president of the board of Hubbell Center, in Des Moines, Iowa, to discuss the status of Hubbell Center and the role of the Society in regard to future plans. They will discuss more of their findings and their plans this summer.

I’m very encouraged at your response to our request for volunteers for our committees. Hilbert Hubble of the Genealogy Committee has reported several new volunteers for his committee. This is wonderful news. Please consider volunteering for a committee that interests you, we need your help more than ever. You may even get to design your own job— give it a try! We still need a Chair for the History and Biography Committee; do I have any takers? There’s a lot more of interest to do, so please help your Society.

Our web page is getting better and better, receiving compliments from genealogists everywhere who visit it. If you have not read what’s there lately, now is the time. This is where you will learn family news, what is going on at Hubbell Center, and how the Hubbell family appears to the world at large. Do you have any suggestions? John A. Hubbell would love to hear them.

PRESIDENT'S MESSAGE ...Continued from Page 3

The "Hubbell Wives" book, as it is fondly if not factually known, is very near publication time, and you have something really interesting awaiting you in its pages. Marjorie Hubbell Gibson and Mary Ann Hubbell have been constantly at work on this book for several years now — far beyond our initial estimate — and have found much more material than any of us anticipated. It's going to be great and it's coming soon.

For the future, I see the family following the lead of the directors and committees who are working on ways to make us more efficient, flexible and cost-effective. I would like us to give our undivided attention to Hubbell Center and its future, while we learn more about what we keep within its walls and its databases. We must concentrate on ways to ensure its long and healthy life, and it will take every one of us to do it. Plan to hear more on this subject in upcoming publications and on the web site.

In these days of incredible work being done with DNA research in families, we do not have a One Name Study and a DNA database under way for all Hubbells. I find that very curious and would welcome someone with an interest in this subject who wishes to sponsor and promote this study. I have material and recommendations for research if you are interested. Please contact me. The time has come.

As family societies of this size go, ours is uniquely gifted and motivated. Who else has six-day reunions, a library and archive, and as many gifted, talented, and famous people as cousins? What we can do is limitless— what we will do is up to us.

Carol Hubbell Boggs, President — The Hubbell Family Historical Society

THFHS Member Honored by Staten Island Senior Olympics

Jean Hubbell McCabe is nothing short of inspirational. This hardworking, dedicated woman who has always put her family first, was chosen to be this year's honoree at the 2003 Senior Olympics of Staten Island, New York.

The Senior Olympics, which calls for Staten Islanders over 50 to "Use it or lose it" by competing in a variety of sporting events, chooses an annual honoree who embodies the spirit of the games. "I am extremely grateful for the opportunity to continue to enjoy life-- and it is things like this Senior Olympics philosophy that are the inspiration to get all that one can out of whatever life brings to the table," Jean said.

Being tied to a portable oxygen tank hasn't stopped her. Jean belongs to two womens, golf clubs, a bocce team, and visits the YMCA for an Aquacize class twice a week.

Born 81 years ago in Ann Arbor, MI, Jean Hubbell (A&R # 8666) studied nursing and eventually enlisted in the Army Nurse Corps during World War II, becoming a second lieutenant. Being near-sighted, she wasn't allowed to serve overseas, and instead was assigned to Camp Blanding, FL, where she met Harry McCabe, who would become her husband. After the war they moved to Manhattan, eventually having three children and two grandchildren. But even with being a full-time mother, Jean couldn't be kept from her beloved profession of nursing.

She took a nursing job at Lenox Hill Hospital, working for 10 years, followed by a position at Beth Israel Hospital-- both in Manhattan. Moving to Staten Island in 1957, Jean went to Work at St Vincent's Hospital, West Brighton, where she dedicated 28 years to her nursing career. Although offered the position of head nurse often, she turned it down because she wanted more time to raise her three sons. But she still found great joy in assisting other nurses. "I had made a real contribution in helping new nurses to develop a genuine love of our profession and caring for their patients, both through example and working with them," Jean said.

MINUTES OF THE FIRST DIRECTORS' MEETING

June 17, 2003 ~ Chapel Hill, North Carolina

Attendance: Carol Hubbell Boggs (president elect), Betty Jo Chapman, Susan H. Dawson, Peter O. Hansen, Marjorie Hlava, Clifton Hubbell, Donald C. Hubbell, Dorrance Hubbell (special presentation), Harold G. Hubbell, Harlin D. Hubbell, Jean Norford Hubbell, Robert J. Hubbell, Roger Hubbell, Jean E. Hubbell Peterson, Kathleen Ver Kuilen,

There being a quorum present, the meeting was called to order by President Donald C. Hubbell at 8:p. m. Invocation was given by Harold G. Hubbell.

Corrected minutes of the 2001 Kenai, Alaska, Directors' Meetings, and the 2002 Executive Committee minutes from Chapel Hill were distributed and approved as corrected.

Roger Hubbell presented the Treasurer's report showing a balance as of June 16, 2003, of \$11,215.00 in the U. S. account and \$5,514.66 in Canadian funds in the Scotiabank in Canada. The detailed report of expenses and income is attached to the file copy of the minutes. The report was approved as presented.

Committee Reports:

Genealogy - Hilbert Hubble. The Military History book is done; The 1930 Census has been transcribed (for Hubbells); several items have been donated for Hubbell Center including a Bible from 1874 in our display room. Another update on the History and Biography will be needed in the not-too-distant future.

Membership - Kitty VerKuilen. As the new chair of the Membership Committee, Kitty has sent out 125 new membership cards and Carol before her had already sent out 90. There were 7 gift memberships and 30-32 renewals. Membership is falling off with 185 past-due members as of June 5. We have 391 but last year had 451.

Publications - John A. Hubbell. John's report was read by Carol Boggs in his absence. Copy attached to minutes.

Ad Hoc Committee on Bylaws Review - Kitty VerKuilen. Since the Committee has not yet met, the only change to present to the general membership was proposed as Art. 7, Sect. 11, in the second paragraph, to replace the word "shall" with "may" so that an Executive Committee meeting may take place in the years between reunions but will not be required to do so. A full Board meeting may be called by the President and make an Executive Committee meeting unnecessary. This matter had been detailed in the minutes from the Board meeting in Chapel Hill, April 2002, which was considered adequate written notice.

Ad Hoc Committee on Hall of Fame. The chairman being absent, Donald announced that the recipient this year had been notified and would be Robert L. Hubbell.

Ad Hoc Committee on Grants and Donations had not met yet.

Nominating - Robert "Camino Bob" Hubbell. Directors for the Class of 2009 were listed as Richard L. Hubbell, John Howard Hubbell, Myrna Hubbell Kepford, Joan Hubbell Bowden, Nancy Moses, Shara Simons Hubble, and Robert Dawes. Carol Hubbell Boggs accepted nomination for President and Roger for V.P., secretaries will continue. Because of the need to have a treasurer immediately to relieve Clair Hubbell Pierce, Roger has filled that post but cannot continue as Treasurer as well as V.P. There followed much discussion on how to simplify record-keeping procedures. The issue was tabled for the present as the major need is to have a new treasurer.

Hubbell Center. James Windsor Hubbell was absent due to illness. A Motion to give Hubbell Center \$2500 was made by Hilbert, Sec. By Margie. PASSED. Some concern was expressed over lack of funds generated by Hubbell Center. Articles for a benefit raffle were asked for for this Biennial. Pat Dawson has an idea to be presented at the General Meeting on Friday. Directors from THFHS to the Hubbell Center Board of Directors should be elected at the General Meeting. We do not elect their officers.

Scholarship Fund - Harold G. Hubbell reported 17 applications for scholarships this past
Continued on Page 6...

First Directors' Meeting ...Continued from Page 5

year with six \$1,000 scholarships being awarded. Treasurer's report as of May 31 showed \$11,341.53. New officers will need to be elected following the general meeting. This year only one application has been received thus far with Sept. 1 the deadline for submission. Hilbert moved and Clifton seconded that THFHS contribute \$2500 to the Scholarship Fund. PASSED.

Special Presentation on Noxen Historical Community Association - Dorrance Hubbell. Dorrance gave a brief history of the Noxen Community Building which when restored will serve the small town of Noxen with its population of 950 people. The building has been declared an Historic Site and will be eligible for the National Historic Register. Dorrance's grandfather, W.S. Hubbell, was the contractor in 1897 for the original building. To achieve the renovation, the community needs \$21,750 some of which has been granted from the State of Pennsylvania. Susan Dawson Moved to study the proposal and Marjorie Hlava moved to refer the motion on the floor to the Ad Hoc Committee on Grants and Donations. PASSED.

Future Site Selection. Brief discussion on requesting proposals for future Biennial sites. A list of 10 points to be considered was given out and the question raised about the inclusion of geographic rotation.

Marjorie moved to adjourn. Meeting was adjourned at 10:35 p.m.

MINUTES OF THE FIRST GENERAL MEETING

June 18, 2003 ~ Chapel Hill, North Carolina

At 9 a.m., Sandra Shay, the 11th Biennial Reunion Program Chair, introduced herself and welcomed everyone to Chapel Hill. She explained that Chapel Hill was home of North Carolina State University, the oldest state university in the United States. Sandra also detailed the day's and tomorrow's events and four opportunities before turning the microphone over to Donald C. Hubbell who convened the meeting at 9:32 a.m. and asked Harold G. Hubbell to offer the invocation.

Corrected minutes of the First and Second General Meetings of Kenai, Alaska, June 2001, and notes from the banquet in Kenai were made available to the membership and approved as printed.

Treasurer Roger Hubbell presented the financial report approved by the Board of Director's at its meeting June 17, 2003. The report showed a balance as of June 16, 2003, of \$11,215.00 in U.S. account and \$5,514.66 in Canadian funds in Canada. Detailed report is attached to file copy of the minutes of the First Directors' Meeting, June 17. The report was accepted as presented.

It was noted that last year \$500 had been donated to the restoration work of the Bradley-Hubbell House. A thank-you letter was received along with news that they had reached the matching fund goal.

Committee Reports:

Genealogy Committee - Hilbert R. Hubble reported on the Military History book done this year and mentioned that a supplement would probably be necessary at some point. The Military History received an award from the Connecticut Society of Genealogists which provided free publicity and resulted in N.Y. Public Library ordering a book.

Also, the 1930 U. S. Census is now available. Hilbert expressed appreciation for the help given by Charlie Potter in providing information from the Social Security death listings. Another update of Additions and Revisions will be needed soon. He has maintained a file of A&R since 1995. The timing for another history will depend on the amount of work and financing.

THFHS joined the National Genealogy Society which provides us with a journal (at Hubbell Center) and allows each of us (we are a group member) to post queries. We can also enter the newsletter competition.

Barbara Kruse reported on the work of the committee preparing the Hubbells by Choice book about the Hubbell wives of the first four generations of Hubbell men. The committee has been working for four years communicating by email, never having had a meeting together. The target date

for publication is within a year. Members of the committee are Carol H. Boggs, Marjorie Gibson, Mary Ann Hubbell, Barbara Kruse, Bertie Herman, Kathy Gasaway and Jean Grandy.

The committee urges all cousins to submit information for wives, their parents, and their grandparents including any special events, honors, or legends of significance to the family. Information will be stored at Hubbell Center. (Barbara's full report is attached to file copy of these minutes).

Membership Committee - Kathleen "Kitty" VerKuilen reported that she is in the process of learning the job just recently taken over from Carol Boggs. She and Carol together have sent 288 membership cards for this year showing a membership of 391 so far. Last year's membership was 451. Kitty suggested members check their local phone directories for Hubbells and contact them.

Jean N. Hubbell presented the "Caring Society" part of the membership report. She reported on responses received from some recipients of the 23 signed-by-everyone cards following the Kenai meeting plus the cards sent since then on behalf of the Society at times of family death or illness.

Cards would be available for all at this meeting to sign as well and members were asked for names of those who should be recipients. Seventeen were given.

Donald had announced earlier that Rosella Hubbell Hansen had died in February 2003. Rosella attended all but the Kenai meeting and was responsible for getting her family involved through gift memberships. Her son, Dr. Pete and Karolee Hansen were present and celebrating their 40th wedding anniversary today. Daughter Terri Hansen Bybee was also present. Carol shared that she and Bob had their 43rd anniversary yesterday. Among other Caring Society announcements was the 81st birthday of Jean Hubbell McCabe yesterday. At the last minute Jean was unable to attend so a loud rendition of Happy Birthday was sung.

Technology Communications Committee - Bob Dawes reported on the website which is hosted in Ontario at a cost of \$595 but is managed by John A. from Cleveland. John will be present for Friday morning's meeting. Bob does the Hubbell Network News but said it has moved beyond newsletter format. Some kind of community-based bulletin board is needed whereby notices for births, deaths, etc. can be posted. The current format is difficult to maintain as there is little input coming from members.

Ad Hoc Committee for Bylaws Review - Kitty VerKuilen presented for approval of the membership one change approved by the Board of Directors on June 17. Article VII, Section 11 - Executive Committee. Second paragraph "A regular meeting of the Executive Committee shall be held in years in which there is no biennial meeting." Change the word "shall" to "may" allowing the meeting to be optional. The detailed rationale for the change was given at the Board meeting in Chapel Hill in April 2002. Hilbert MOVED to accept the change. PASSED.

Nominating Committee - "Camino" Bob Hubbell expressed thanks to his committee members, Clifton Hubbell, Harlin Hubbell, and Claire Pierce and then presented the slate of officers to be elected for 2003-2005:

President - Carol Hubbell Boggs; **Vice-Pres.** - Roger Hubbell; **Recording Sec'y** - Jean N. Hubbell; **Corresp. Sec'y** - Betty Jo Chapman; **Treasurer** - due to "last minute" transition in the office of treasurer, this slot had not yet been filled

Directors' Class of 2005 - Harold G. Hubbell, John A. Hubbell, Jean Hubbell Peterson, Donald Clayton Hubbell, Susan Beougher, Jean Norford Hubbell, Susan Hubbell Dawson

Directors' Class of 2009 - Richard L. Hubbell, John Howard Hubbell, Myrna Kepford, Robert Dawes, Nancy Moses, Shara Simmons Hubble, Joan Hubble Bowden

Directors' Class of 2007 - John Crowder, Harlin D. Hubbell, Mary Ann Hubbell, Nelson Hubbell, Marjorie K. Hlava, Roger Hubbell, Clifford Moses

MOTION (Clifton) to elect the slate as presented. PASSED.

Scholarship Fund Report - Harold G. Hubbell, President, reported that the Fund is well and healthy but in need of ideas and suggestions for membership. In 2002 six scholarships of \$1,000 each were given - all recipients' photos and biographical sketches can be seen in the Display Room. So far this year only one person has applied. Harold reviewed the history of the Fund which was

Continued on Page 8...

First General Meeting ...Continued from Page 7

established in 1991 to award scholarships to the descendants of Richard Hubball. Canadian members are just as eligible. If there are no further applicants for this year, suggestion was made to use eleven from last year who did not receive a scholarship. Rules were reviewed and address change given to reflect new president who will be Donald C. Hubbell. Claire will be the new Treasurer. The Beoughers found it necessary to resign leaving vacancies in the Board of Directors. Current directors are Clifton, Hilbert, Kitty VerKuilen, Susan Dawson and Betty Jo Chapman.

Biennial 2005 Site Presentation - since Majorie Hlava would have to leave before Friday's meeting, she was asked to present Albuquerque, New Mexico, as the site for the 2005 meeting.

Among other interesting details she mentioned the weather was usually in the 80's with 2% humidity (ahem!) And that Albuquerque was at a higher elevation than even Denver. She gave a capsule history of Albuquerque including the coming of the Hubbell family and the beginnings of the trading posts, the most famous of which is the Hubbell Trading Post at Ganado. She mentioned there were many Navajo Hubbell cousins who were looking forward to being present.

Shopping (at a discount) and entertainment information were provided as well as logistical arrangements. Her report was enthusiastically received.

Introduction of First Time Participants - Donald asked all first-timers to stand and introduce themselves. Sandra Shay of Cary, N.C. - our effervescent hostess/program chair, Fred and Claudette Gilbert from El Cajon, CA (first time in a long time), Larry Hubbell of New York, grandson of Jay Broadus Hubbell, Elsie Hubbell, wife of Robert "Winchester Bob" Hubbell, accompanying Bob from VA, sisters Karen Deleplancque and Joy Gilbert of Denver, CO, sister and brother Kay Williams and A. J. Belongia from Virginia, brothers Stuart and Charles Clarke from Michigan, Janet Watson and husband Douglas from Winnipeg, Manitoba, sisters Joan Hahn and Anna Jane Berck from Missouri (who proudly announced that a bust of Edwin Powell Hubble was now in the State Capitol of Missouri), and Joe Williams, not a Hubbell, but warmly welcomed as the assistant for Robert L. A warm welcome was given to all.

At 11:00 Mayor Kevin Foy of Chapel Hill arrived to extend his greetings and welcome and announced that usually the weather is better. After Donald C. made sure everyone knew that Mayor Foy was born in Cleveland, Ohio, the Mayor read a proclamation declaring Wednesday, June 18, 2003, Hubbell Family Day in Chapel Hill, N.C. He also presented Donald with a huge key to the city.

Motion to adjourn made by Hilbert. Meeting adjourned at 11:15 with reminder of afternoon committee meetings.

MINUTES OF THE SECOND GENERAL MEETING

June 20, 2003 ~ Chapel Hill, North Carolina

At 9:00 a.m. newly elected president Carol Hubbell Boggs introduced Pat Dawson, Librarian and Curator at Hubbell Center. She mentioned that among her many accomplishments, Pat was also responsible for introducing Carol and Saundry Shay through email.

Pat gave a Powerpoint media presentation on Hubbell Center, giving those present a virtual tour of the new quarters in Des Moines. She reported that there had been 26 visitors this past year and that she is available at the Center by appointment if the 1st and 3rd Saturdays between 10 a.m. and 1p.m. are not workable. She has indexed contents of the library and source materials and has the material on CD. Museum items have yet to be indexed. The compilation of index, sources, all materials in Hubbell Center is on a data base. Twenty CD's are available for \$5.00 each. She would like input before doing anymore. She can photocopy pages of materials and forward to callers if asked. Pat also mentioned the Iowa State Historical Museum which houses many of the F. M. Hubbell papers. The group expressed a hearty thank-you and much appreciation to Pat for all her work on behalf of the family.

Sandra announced arrangements for transport to the Duke University Rare Book Library

this afternoon for presentation of the plaque honoring Jay Broadus Hubbell, and mentioned that transport to the Planetarium this evening would have to be by carpool. Then ever-smiling Sandra offered her continuing bargain benefit for Hubbell Center in the sale of raffle tickets for \$1.00 each or the special bargain rate of 10 for \$10.00! The family expressed its thanks to Sandra for her efforts and unfailing good humor.

Carol convened the business meeting at 10:00 a.m. beginning with recognizing new members once more and emphasizing the need to build personal relationships. She then recognized all present by the length of time of membership and was surprised at how many went back to the early years.

Committee Reports from Wednesday meetings:

Genealogy - Hilbert announced no formal meeting had taken place. The work is continuous, checking obituaries and Social Security death notices, registering input from members. He asked members to submit any new information and updates on family members. He mentioned the work being done by Ruth Ryan known as the Missouri Project, trying to connect a large family from New York. For the future, publication of Hubbells by Choice and then a new history book. Possibly this edition could make use of color and feature children of Hubbell daughters. In two years editors will be needed to help with the work.

Membership - Kitty had a full committee which worked to identify what is useful in promoting membership. Items mentioned were geographical rotation, message boards, gift memberships, seeking out first timers, providing correct addresses and changes, "caring society" remembrances, sending in renewal forms promptly and adding an education component at our meetings such as workshops on how to use and understand the history books as the numbering system can be very confusing. The workshop idea was warmly received by the membership.

Publications - John A. who had arrived since the Wednesday meeting, mentioned the books to be published and suggested a book on the Hubbell place names would make a good publication. He mentioned digital options for newsletter and Annual in addition to the written version.

Publicity - Shara Simmons Hubble is the new "Committee of one" and announced that there will be a press release available Saturday night for members to take home for local papers.

Technical Communications - Bob Dawes talked about greater use of the website www.hubbell.org and Hubbell Network News. The website is managed by John A in Ohio and paid for out of the Canadian account. Bob acknowledged the pioneering work of Anne Hubbell Cooper in getting the website started. The Hubbell Network News was started in 1996 and over five-to-seven years has had ninety-one issues all of which could be seen in the Display Room. He lacked input this past year so there were few issues. Without input, no output. A new way of operating to consider - a new page on the website with current events and news. Send to Bob and he will post on the website. It was noted that digital pictures from the first day of the reunion had already been put on the website by John A. before he arrived here. In addition to photos, information about the meeting was there and replies back had been received with greetings to those present.

History and Biography - has no chair and no existing committee. Carol remarked that it is essential to fill this committee to be a collection point and communicator.

Carol asked all committee chairpersons to look at the Bylaws to see what their committees are doing and whether it conforms with the Bylaws. What changes might be needed? She asked that all committees prepare a budget to cover the two year period from one Biennial to the next.

Ad Hoc Committee Reports:

Budget - Roger reported that there will be a budget with major categories for critical operations. He asked committee chairpersons to submit their budgets to the committee. The prepared budget will go to the Finance Committee whose chairman, Cliff Moses, was not able to attend this reunion.

Bylaws Review - Kitty met with a full committee which worked on the question of What is the purpose of this organization? Before Bylaws can be properly written, a mission statement is needed and members of the committee developed the following statement: The mission of The

Second General Meeting ...Continued from Page 9

Hubbell Family Historical Society is to: 1) Research the genealogy, 2) Preserve the history, 3) Recognize the achievements and 4) Promote fellowship, for the descendants of Richard Hubball, the immigrant.

Grants and Donations - Hilbert reported that from time to time the Society receives requests for donations from Society members for other historical societies and interests. The Society is willing to make grants and donations to promote the achievement of Hubbell Family members. The procedure recommended is that the request be in writing and sponsored by a Society member. The request with supporting documentation should be sent to the Board of Directors for approval. Criteria: the grant or donation must be for a specific task of historical Hubbell interest. The request may either memorialize the accomplishment of a Hubbell or lead to a better recognition of the history or biography of a Hubbell (i.e. transcribing records). Limitations: grant and/or donation money should be a line item in the budget with the amount being no more than 5% of the total budget or \$1000 whichever is less. The committee further recommended the appointment of an ad hoc committee to process the Noxen request in order to gain experience in this process. A suggested application form was also prepared. (Copies of committee report attached to file copy of minutes)

Hall of Fame - Donald C. chaired the committee in the absence of Robert Dexter Hubble who was unable to attend due to his brother's serious illness. (We later learned that Robert's brother passed away this very day.) Donald reported that the selection process is already accomplished. The committee consists of Harold G., Clifton, Margery Hyde Hubbell, R. LeRoy Hubble, Harlin, Donald and Robert Dexter. A new form will be developed as well as a new program.

Nominating - Camino Bob, continuing as Chair, announced the nomination of Dr. Pete Hansen for the position of Treasurer. Motion to elect PASSED. In addition to the continuing members of the committee, Clifton, Harlin, and Clair, Bob announced a new member, Michael L. Hubble.

Hubbell Center Report - Harvey Hubbell IV reported since James Windsor Hubbell is ill and unable to be present. Harvey cited the purpose of the Center as preserving items from being lost or dispersed. Hubbell Center is a pioneering event. Directors for Hubbell Center work on long-term plans. More HFHS members are needed to join the Directors. Harvey pleaded for volunteers and three members did volunteer - Janet Watson of Winnipeg, Susan Dawson and Betty Jo Chapman.

Scholarship Fund Report - Donald reported that the Fund would like to give ten \$1,000 scholarships this year.

Announcements: Carol emphasized that Hubbell Center needs support and mentioned the Pat Dawson CD's as one moneyraiser and our raffle another. Mantorville, Minnesota, where THFHS began at Hubbell House, will be celebrating its 150th Anniversary with a year-long celebration. July 2004 is the central focal month. Many activities are planned. Members are invited to attend.

Harvey IV and Michael L. recited anecdotes of discovering Hubbells in unexpected places after which Hilbert moved to adjourn.

THFHS adjourned and Scholarship Fund convened long enough to elect its officers.

MINUTES OF THE SECOND DIRECTORS' MEETING

June 20, 2003 ~ Chapel Hill, North Carolina

Attendance: Carol Hubbell Boggs, Joan Hubbell Bowden, Betty Jo Chapman, Robert G. Dawes, Susan Hubbell Dawson, Peter "Dr. Pete" Hansen, Donald C. Hubbell, Harlin Hubbell, Hilbert R. Hubble, Jean Norford Hubbell, John A. Hubbell, John Howard Hubbell, Roger Hubbell, Shara Simmons Hubble,

There being a quorum present, President Carol Hubbell Boggs call the meeting to order at 1:20 p.m.

Motion made by Shara to accept the three volunteers (from the General Meeting) as THFHS Directors for the Hubbell Center Board. Sec. By Donald. PASSED. The three are Susan Hubbell Dawson, Betty Jo Chapman, and Janet Hubbell Watson.

Motion made by Jean to elect Roger Hubbell, Donald C. Hubbell, Peter Hansen, and Carol Boggs as Executive Committee. PASSED. Roger will serve as Chair.

Motion by Hilbert, Sec. Susan, to hold the 2005 Reunion in Albuquerque, New Mexico. PASSED.

An Ad Hoc Committee was appointed for exploring possibility of reorganization to permit simplification of communication between THFHS, Scholarship Fund and Hubbell Center. Members of the Committee are Roger (Chair), Pete Hansen, Harvey, Margie Hlava. A report is expected by the 2004 Board Meeting.

An Ad Hoc Committee on how to rotate and advertise geographical locations was appointed with John A. chairing. Mary Ann Hubbell to be contacted for participation.

Ideas for future Biennials - Des Moines to support Hubbell Center; Niagara Falls, Ft. Wayne, Michigan.

Roger Moved to adjourn. Meeting adjourned at 1:48 p.m.

Minutes prepared by Jean N. Hubbell, Recording Secretary

# The Laura Hoskins Hubbell House on VanCleaf Lake

The Hubbell House is a Gothic Revival cottage located in Seneca Falls, NY, that once served as the home of Laura Hoskins Hubbell. It was purchased for her by her father, Charles Hoskins, after the death of her husband Wolcott S. B. Hubbell (*A&R#* 1846) in 1866. Now it is operated as a bed and breakfast by proprietors Joanne and Karl Elliott. Joanne describes the Hubbell House extensively on her website, [www.hubbellhousebb.com](http://www.hubbellhousebb.com):

Once a stop on the Underground Railroad, our charming Gothic Revival, three story, hillside cottage was built in 1855 with all "improvements" made around 1870. The building is an excellent example of Gothic Revival architecture. Architectural features include scrolled bargeboards, wooden pinnacles, many varieties of windows, and a rear mansard roof with diamond shaped slate tiles. The interior is decorated with antiques and collectibles. We are very proud to mention the Hubbell House was featured in and displayed on the front cover of Victorian Decorating & Lifestyle® Magazine, April/May 1996 issue and again in the June/July 1997 issue, U.S. News & World Report® 1998 Vacation Guide (photo of dock), and the front cover of the Old House Journal® June 2001 issue.

We also have some Hubbell related 'treasures' that we found in our attic; i.e. an 1872 slate writing tablet that belonged to James Platt Hubbell with the chalk still very visible, an 1873 school journal of Daniel Southwick Hubbell with beautiful calligraphy and some ink drawings believed to have been done by Daniel. We also have a circa 1873 photo of our home (seen on our website). I was told by his elderly son Daniel Hubbell (of Indiatlantic, FL), that is was most likely taken by his father Daniel Hubbell. In addition, their daughter Francis signed and dated one of her bedroom windows.

The Hubbell Family attended the Trinity Episcopal Church in Seneca Falls. There I located birth, confirmation, and baptism dates for Laura and each of her children. In the old Myderse Academy (located directly across the street) ledger, it stated that Laura was a Preceptress there in 1852 and was paid \$150.00 on October 2, 1853 for a 1/2 years salary.

The genealogy is as follows: Wolcott S. B. Hubbell was born on April 2, 1825 (Source: Restvale Cemetery - Seneca Falls) and was the son of Wolcott & Mary E. (Woolsey) Hubbell.

## Laura Hoskins Hubbell House ...Continued from Page 23

He most likely was born in Toledo, Ohio. He married Laura Hoskins, the daughter of Charles Lansing & Sophia (Giddings) Hoskins on January 12, 1854 (Source: Seneca Falls Historical Society-Hoskins Family Papers). Laura Hoskins was born June 3, 1824 in Seneca Falls, NY (Source: Restvale Cemetery - Seneca Falls). Wolcott died January 11, 1866 and is buried in the Restvale Cemetery in Seneca Falls, NY (Source: Restvale Cemetery - Seneca Falls). Laura Hoskins Hubbell died October 28, 1900 (Source: Restvale Cemetery - Seneca Falls & The Reveille obituary dated November 2, 1900).

Wolcott and Laura's Children:

1) Charles Wolcott Hubbell was born June 23, 1856 in Toledo, OH (Source: Trinity Episcopal Church - Seneca Falls & Laura Hubbell's Obit.). Charles married Maude Mary Murray on June 24, 1884 at the Trinity Episcopal Church. They moved to Chicago, IL (Source: The Reveille). (In 1881 Seneca Falls Directory, he is shown living on the other side of the Hoskins House and was a bookkeeper on Fall Street).

2) Daniel Southwick Hubbell was born October 16, 1857 in Toledo, OH (Source: Trinity Episcopal Church - Seneca Falls & Laura Hubbell's Obit). (In 1881 Seneca Falls Directory, he is shown living here and was a law student. He later became a practicing Attorney At Law here in Seneca Falls).

3) James Platt Hubbell was born ?, 23, 1859 in Toledo, OH (Source: Trinity Episcopal Church - Seneca Falls & Laura Hubbell's Obit). James married Adelaide Guion.

4) Francis Mary Livingston was born January 17, 1862 in Toledo, OH (Source: Trinity Episcopal Church - Seneca Falls & Laura Hubbell's Obit). Fanny married Joseph Cutter Foster of Cincinnati, OH on October 14, 1886 at the Trinity Episcopal Church (Source: The Reveille).

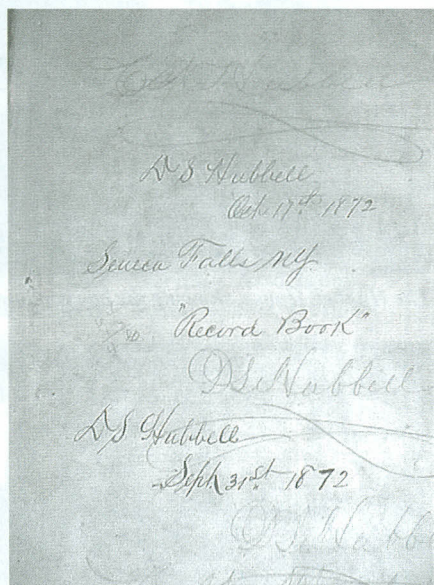

Following is Laura Hoskins Hubbell's obituary as it appeared in November 2, 1900, *The Seneca Falls Reveille*:

"Death of Mrs. Laura Hubbell: The death of Mrs. Laura Hubbell occurred at the home of her daughter, Mrs. James C. Foster, in Cincinnati, on Sunday evening, October 28th, of paralysis, after a brief illness. Mrs. Hubbell was a daughter of the late Charles L. Hoskins of this village and was born here, her age being 76 years. In early womanhood she was united in marriage to W. S. B. Hubbell, a prominent and successful merchant of Toledo, Ohio, and for many years that city was her home, all of her children having been born there. Soon after the death of her husband, she returned to Seneca Falls, and had since resided

### Laura Hoskins Hubble House ... Continued from Page 23

here, until within the last year or two, a good part of which time she passed with her children in Cincinnati and Chicago. She was a lady of culture and refinement, whose pureness of purpose and sweetness of disposition commanded for her the love and respect of all who enjoyed her acquaintance. She was ever charitable, giving of her ample means without ostentation and for every good purpose. She was a member of Trinity church and the beauty and steady consistency of her life as a Christian woman were the crowning features of her character. Her whole life, indeed, was a benign example of goodness, purity, love and tenderness, exerting a Christian influence among those with whom her quiet home life brought her in contact. It was especially in the home circle and among her loved ones that she was most admired and appreciated, and where she will be sadly missed and deeply mourned as a tender, loving mother and considerate and thoughtful friend, whose memory will always be sweetly cherished. She leaves surviving her three sons, Daniel S., Charles W., and James Platt Hubble of Chicago, and one daughter, Mrs. James C. Foster of Cincinnati; also four sisters, Mrs. Cyrus Garnsey of Seneca Falls, Mrs. Myron H. Beach and Mrs. F. F. Griswold of Chicago, Miss Annette Hoskins, and one brother, Lansing S. Hoskins of this village. The remains were brought here and the funeral was held at the Hoskins family residence in Cayuga Street Wednesday afternoon, Rev. W. Clarke of Trinity church officiating."

## † In Memoriam †

**Charles Kruse**, of East Northport, New York, passed away on December 5, 2003. He was the beloved husband of Barbara Currier Kruse, THFHS Contributing Member. Loving father of Linda Espy, and Edith Thornburg, and her husband John. Cherished grandfather of Ellen and Charles Hollister and Joanne Thornburg. Dear brother of Walter, Theodore, and Edward Kruse. Charles proudly served in the Army Air Force during World War II, and he was the chief electrician at the Northport Veterans Hospital. Memorials to The Prostate Cancer Research Institute, or to the Pioneer Group of First Presbyterian Church of Northport, would be appreciated.

**Lena Lorraine Jump**, long-time friend of THFHS, daughter of Ralph F. and Viva E. James, was born July 26, 1914, in Marshfield, Missouri. She passed away October 6, 2003, in her Marshfield home. Preceding her in death were her husband, Paul W. Jump, Sr.; her parents; and one sister, Pearl Yates. Survivors include her children, Paul W. Jump Jr. and wife Lorinda; Vickie Kalthoff and husband James; three sisters; five grandchildren; three great-grandchildren; and a host of other relatives and friends. Memorials may be made to the Webster County (Missouri) Historical Society or St. Paul's Lutheran Church, Marshfield.

# In Memory of Rosella Louise Hubbell Hansen

Rosella Louise Hansen passed away on Feb. 12, 2003 in Colville, Washington, where she and her husband had made their home since retiring and moving there from Cheney WA in 1973. She was delivered by her father on a ranch near Tyler, WA, on July 16, 1913, the third daughter of Arthur and Rosa Hubbell. Rosella graduated from Cheney High School with the class of 1930, at the age of 16, having already completed one year of college at Cheney Normal School (now EWU).

To make money for schooling, her first job was addressing letters for the Cheney Weeder Company, getting twenty-five cents for every one hundred she addressed. Saturdays she rode the bus into Spokane and the streetcar out to her father's barbershop on East Sprague where she did fingerwaves and cut hair for twenty-five cents.

She, her two sisters, and their mother all received various teaching diplomas the summer of 1932. Rosella's first job was in Oroville with a 3-year diploma while she was yet in her teens. She later received a life diploma, and a Bachelor of Arts Degree in Education.

Rosella and Roy Hansen, high school sweethearts, were married in Seattle in 1935. To them were born two children, Peter and Helen. Roy owned and operated Hansen Hardware in Cheney for over 20 years. Once their children were grown, Rosella returned to teaching 6th grade at Wilson School in Spokane. Years later, she taught geology at Glover Junior High. During this time she completed her Master's Degree in Education and received National Science Foundation grants to further study geology at Vassar College in New York State, Adler Planetarium in Chicago and the University of Georgia. She taught occasional classes at Gonzaga and Whitworth Colleges.

Rosella was an ardent amateur radio operator, sending messages for people to their families all over the world, and inspiring several of her 6th grade students to take up the hobby. She also encouraged Roy and their children to get their amateur licenses.

She belonged to Eastern Star, Daughters of the Nile, Spokane and Colville Ham Clubs, National Science Teachers Association, American Geological Institute, and the National Association of Geology Teachers. She was active in genealogical research and THFHS. She was one of the original organizers at Mantorville, MN, and never missed a meeting until her second stroke just prior to the Alaska biennial meeting. She was Membership Chair for a number of years prior to her first stroke in December 1991.

In 2002, her daughter completed compilation of her 500-page book "*Memoirs and Family History of Rosella Hubbell Hansen*".

In her younger years, Rosella was a marksman, picking up medals in competition. As her children grew, she was instrumental in starting Cub Scout Pack 356 in Cheney and also a Campfire girl leader, always involved in some way in youth activities. She loved playing bridge and almost anything that presented a challenge, whether it be woodworking, hiking, hunting, interior decorating, sewing, or riding her motor scooter. She ran in the Spokane Bloomsday Marathon twice in her 70's, and learned to use a computer at the age of 78.

Rosella is survived by her son Dr. Peter Hansen, wife Karolee and family of Kenai-Seward, Alaska; daughter, Teri Helen Bybee, husband George and family of Colville-Spokane area; three grandchildren and eight great-grandchildren.

Rosella Hansen was interred in Spokane Memorial Gardens next to her husband.

*Hubbell Family Crest*

Obtained by Henry W. Hubbell of New York City in London, 1831.

The Hubbell Family Historical Society is a not-for-profit organization which invites membership from descendants of Richard Hubbell of England and New Haven Colony, Connecticut, from all persons interested in genealogy and family history, and from organizations supporting such activities.

Our mission is to research the genealogy, preserve the history, recognize the achievements, and promote fellowship for the descendants of Richard Hubbell, the immigrant.

*Richard Hubball's Mark*

From his last will and testament, April 5, 1699.
